Board Policy

Instruction

BP 6170.1(a)

TRANSITIONAL KINDERGARTEN

The Governing Board desires to offer a high-quality transitional kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten. The TK program shall assist students in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's TK program shall be the first year of a two-year kindergarten program. (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in the development, implementation, and evaluation of the district's TK program.

(cf. 1220 - Citizen Advisory Committees)

(cf. 6020 - Parent Involvement)

Eligibility

The district's TK program shall admit children whose fifth birthday is from September 2 through December 2. (Education Code 48000)

BP 6170.1(b)

TRANSITIONAL KINDERGARTEN (continued)

Parents/guardians of eligible children shall be notified of the availability of the TK program and age, residency, immunization, and any other enrollment requirements. Enrollment in the TK program shall be voluntary.

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's TK program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

At any time during the school year, the district may admit into the TK program a child whose

fifth birthday is after December 2 of that same school year, provided that the Superintendent or designee recommends that enrollment in a TK program is in the child's best interest and the child's parents/guardians approve. Prior to such enrollment, the child's parents/guardians shall be provided information regarding the advantages and disadvantages and any other explanatory information about the effect of early admittance. (Education Code 48000)

Curriculum and Instruction

The district's TK program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate. (Education Code 48000)

(cf. 6141 - Curriculum Development and Evaluation)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

BP 6170.1(c)

TRANSITIONAL KINDERGARTEN (continued)

The program shall be aligned with the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education (CDE). It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

(cf. 5148.3 - Preschool/Early Childhood Education)

(cf. 6011 - Academic Standards)

(cf. 6174 - Education for English Learners)

TK students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

BP 6170.1(d)

TRANSITIONAL KINDERGARTEN (continued)

Note: AB 1808 (Ch. 32, Statutes of 2018) amended Education Code 8235 and 48000 to allow districts to place 4-year-old children enrolled in a California State Preschool Program into a TK program and to commingle children from both programs in the same classroom as long as all of the requirements of each program are met and the district adheres to specified requirements, including that the classroom does not contain children enrolled in TK for a second year or children enrolled in a regular kindergarten. Also see BP/AR 5148.3 - Preschool/Early Childhood Education.

TK students may be placed in a classroom commingled with 4-year-old students from a California State Preschool Program as long as the classroom does not include students enrolled in TK for a second year or students enrolled in a regular kindergarten. (Education Code 8235, 48000)

Staffing

Note: To be qualified to teach a TK class, the teacher must possess an appropriate multiple subjects or early childhood education credential issued by the Commission on Teacher Credentialing authorizing instruction in TK. Education Code 48000 establishes additional requirements for credentialed teachers who are first assigned to a TK class after July 1, 2015, as provided below.

TK assignments are subject to assignment monitoring and reporting by the County Superintendent of Schools in accordance with Education Code 44258.9.

The Superintendent or designee shall ensure that teachers assigned to teach in TK classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

(cf. 4112.2 - Certification)

A credentialed teacher who is first assigned to a TK class after July 1, 2015, shall, by August 1, 2020, have at least 24 units in early childhood education and/or child development, comparable experience in a preschool setting, and/or a child development teacher permit issued by CTC. (Education Code 48000)

The Superintendent or designee may provide professional development as needed to ensure that TK teachers are knowledgeable about the standards and effective instructional methods for teaching young children.

(cf. 4131 - Staff Development)

Continuation to Kindergarten

Note: The following section is consistent with guidance in CDE's "Transitional Kindergarten FAQs."

Students who complete the TK program shall be eligible to continue in kindergarten the following school year. Parents/guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance.

BP 6170.1(e)

TRANSITIONAL KINDERGARTEN (continued)

However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in TK, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the TK year consenting to the child's enrollment in kindergarten the following year.

Note: Pursuant to Education Code 46300, the district may not include for ADA purposes the attendance of any student for more than two years in a combination of TK and kindergarten.

A student shall not attend more than two years in a combination of TK and kindergarten. (Education Code 46300)

(cf. 5123 - Promotion/Acceleration/Retention)

Assessment

Note: The following section may be revised to reflect district practice. One assessment resource for TK students is CDE's Desired Results Developmental Profile, which is designed to assess the developmental progression of all children from early infancy to kindergarten entry.

The Superintendent or designee may develop or identify appropriate formal and/or informal assessments of TK students' development and progress. He/she shall monitor and regularly report to the Board regarding program implementation and the progress of students in meeting related academic standards.

(cf. 0500 - Accountability)
