## **Golden Feather Union Elementary School District**

---

Dear Parents, Guardians and Teachers,

**Welcome back to Concow School!** For those of you who are new to this school, we warmly welcome you to join this big family.

We would like to invite you to become a member of the Parents' Club of Golden Feather Union Elementary School District, which is set up to bridge between home and school. We hope that our partnership will pool a wealth of knowledge, talents, and skills to help educate our youngsters. Your involvement really does make a difference in "your" child's education.

Every year, our Parents' Club helps to oversee the needs and development of the school. We help raise funds to provide a wide range of educational enrichment programs to our students. The money we raise helps to fund class trips, books, classroom supplies, dances, fun nights and a lot more. During the past years, the Parent Club has provided learning opportunities that would have otherwise been unavailable to our children. As the new school year begins, we would once again ask for your support so that we can continue making resource and learning opportunities available to our children.

Annual membership dues are \$5.00 to become a voting member. While dues are not required to attend meetings, the Parents' Club depends on your annual voluntary donations to keep all sorts of wonderful things happening for the children of G.F.U.E.S.D. If you choose not to join at this time, we still appreciate your involvement and your time contributed to support our school. Please fill out the attached volunteer form as well as the membership form and return them to your child's teacher. If you have more than one child at this school, please list all your children's names and classes on one form.

Every student who turns in these forms before September 30<sup>th</sup> will receive a special surprise.

***100% membership means everybody wins!***

The Parents Club welcomes you to join our meetings to raise your concerns and contribute your ideas and talents to better our school. Our meetings are generally held on the fourth Tuesday of each month at 4:00 pm in the Concow school library. All meeting dates and activities will be posted regularly on our school bulletin boards and on the district website. We also accept suggestions, questions and donations in our new "mailboxes" which have been conveniently placed in the office of each school.

We would like to thank you in advance for your support and generous donation. If you have any questions, please do not hesitate to contact us. May you have a wonderful school year and we look forward to seeing you.
